Pauze Today at 3:01 PM

yo weve been working on a response for a bit, seems the timing of the vid is a bit unfortunate

please look at what we have to say and hope this clears things up, the people you mentioned are getting harassed pretty hard over this

> Regarding Hinds Started November 10, 2024, Completed November 17th, 2024 Abstract Recently, serious allegations have been leveled against GeoStorm (GS) regarding Hinds – a former member who was exposed on November 7, 2024, for sending sexually graphic messages and videos to a minor. More recent...

wdym no one knew about hinds 😭

Pauze Today at 3:06 PM

we clarify later in the doc that he told us he was in therapy for it, and continued to seek therapy the entire time

he told us he never acted on anything he was feeling

IsaiahWavix Today at 3:07 PM

dawg that is a massive red flag

IsaiahWavix Today at 3:07 PM
dawg that is a massive red flag
was he still in geostorm after that point
also literally zero mention of viprin or any of the other elder mods' actions

> @IsaiahWavix was he still in geostorm after that point

Pauze Today at 3:08 PM
yes but read the doc
we explain everything
the doc is in regards to geostorm, which viprin and wulzy are parts of

IsaiahWavix Today at 3:10 PM
theres no mention of any of viprins actions i can find
his name is mentioned 5 times total
all in reference to hinds (edited)

Pauze Today at 3:10 PM
yes this doc is about hinds

IsaiahWavix Today at 3:10 PM
alr well i hope you guys actually take action to get rid of the rest of the lolicons

Pauze Today at 3:11 PM

2. **"Also, several of the others mentioned in the thread have already been removed from the server or have never been here to begin with."**

Presently, we can now say that <u>all</u> of the people mentioned in the thread to which we responded are no longer in GS, or were never members, to begin with:

Hiavl and Bamgoe were removed from GS on November 8, 2024, for their public conduct. We were ambiguous about how we phrased the initial statement because, at the time of its writing, we were still in discussion about removing Hiavl and Bamgoe from the group. We were concerned that this would come with an implication that we deemed them comparable to Hinds. There is no available information to suggest that Hiavl and Bamgoe have harmed anybody, nor have they ever spoken about struggling with any sexual urges involving children in the way Hinds did in GS. They were still ultimately removed from GeoStorm on November 8, 2024, as it is still irresponsible to consistently engage with the drawn material that community members have pointed out. Please do not compare them to Hinds in any capacity.

SpKale was removed from GS on January 7th, 2024. While we cannot comment on the specifics of SpKale's case due to the victims requesting as much privacy as possible, we can confirm that there is truth to the recent allegations: he was inappropriately messaging at least one minor. In conjunction with other group entities that SpKale was involved with, we agreed to keep his offenses private to avoid subjecting the victims to any unwanted attention or investigation. We owe them our eternal gratitude for being brave enough to report their experiences to community officials. While we have ultimately agreed that it is unethical to stay silent on the matter now that word has gotten out, we wish to stress that disclosing this information publicly remains a violation of the victim's wishes. Thus, we ask that upon learning about this, you continue to respect their space. We do not wish for our silence on the matter up until now to be taken as support or defense for SpKale's actions; we do not tolerate this kind of behavior, and we removed SpKale from GeoStorm as soon as we had been provided with unequivocal evidence.

Cerufiffy and Lucasyecla99 have never been in GS at any point, so the accusations made against them are outside the scope of this document.

no we did not kick viprin

@Pauze no we did not kick viprin

IsaiahWavix Today at 3:13 PM

yeah thats the issue dawg 😭

youre shielding a pedo from reprocussions

like bro yk what good on yall for finally responding to everything else

i would HIGHLY recommend making a video explaining this

@Pauze no we did not kick viprin

but geostorm still hasnt addressed the viprin stuff, which is concerning considering he is a leader within geostorm

idfc if hes the super giga owner or whatever hes a leader within the group

and needs to be kicked from the community and go to therapy before bro finds a real kid

so will you be kicking viprin out, or defending a loli con?

Pauze Today at 3:18 PM

out of context screenshots joking about lolis cannot be equated to sexting a minor

IsaiahWavix Today at 3:19 PM

theres no "unfortunately... viprin will be going on a leave of absense" and returning to status quo in like a week

@Pauze out of context screenshots joking about lolis cannot be equated to sexting a minor

IsaiahWavix Today at 3:19 PM

no shit

its still bad

never been addressed

and completely irresponsable coming from a MASSIVE community figure

in a game

FOR KIDS

"out of context" (edited)

bitch please

bitch please

if it was out of context and it was all just a misunderstanding viprin wouldnt be trying to silence this and not address it at all costs (something you are actively enabling btw) and deleting like 50 trillion comments on his videos (edited)

like bro im sorry theres no wriggling out of this 😭

and if there is

viprin should make a video addressing it

Pauze Today at 3:21 PM
these screenshots are all from four+ years ago, the game and his status in the game has changed dramatically over this time

IsaiahWavix Today at 3:21 PM
thats what ive been saying since the video came out, in fact i said it in the video

@Pauze these screenshots are all from four+ years ago, the game and his status in the game has changed dramatically o...
IsaiahWavix Today at 3:21 PM
well, glad that excuses keeping the fact viprin likes loli from the community for four years!!!
do you have any other ideas for how to defend bro 😭
im waiting

Pauze Today at 3:25 PM
idk we clearly just see this differently, regardless it's not a good look that your video sends hundreds of people to spam p*do on wulzy's videos

IsaiahWavix Today at 3:25 PM
then maybe dont cover up pedo actions
thats not "seeing it differently"
thats you
and wulzy
and half of gs minimum
covering
for loli shit
dude you can still save yourself bro 😭 just kick viprin and move on
thats all bro what he did was wrong
you know it
i know it
sometimes shit happens and people we thought were chill just arent
unless you were also making the same jokes and just havent gotten exposed yet, which if thats the case then idk what to say at this point 💀

Pauze Today at 3:30 PM

calling the acknowledgement and joking about lolis "pedo actions" is pretty irresponsible that shit is no where near as serious as sexting a minor and harming a real child. sure its weird but from four years ago its not really comparable. read the doc, have a good one

IsaiahWavix Today at 3:31 PM

NO SHIT

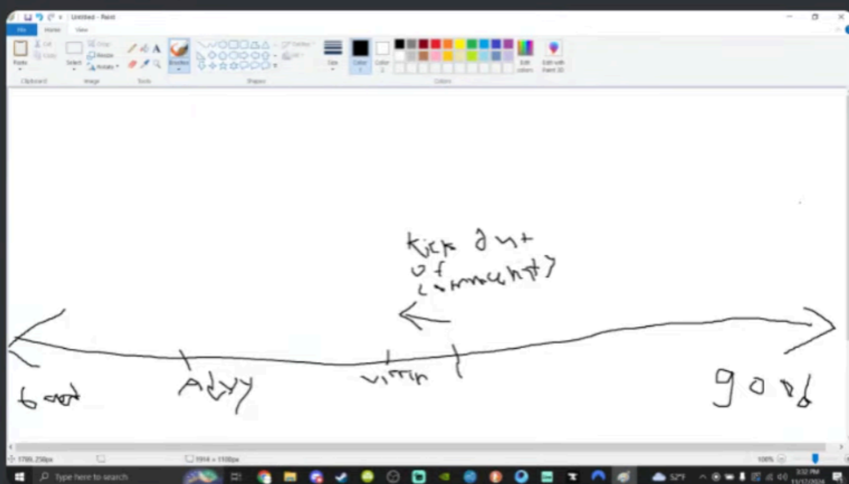

NO FUCKING SHIT

IM NOT DISAGREEING WITH THAT

BROOOO

ITS STILL REALLY BAD

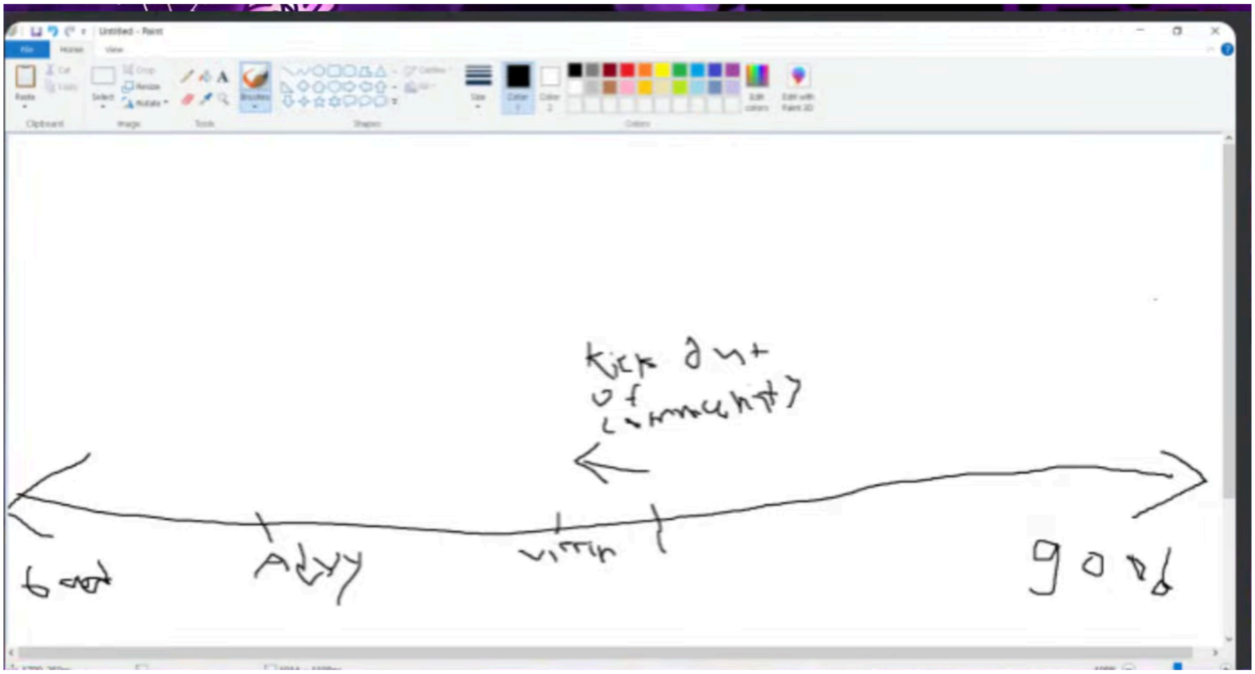

somethin like this

like not as bad as advy

BUT THE BAR FOR BEING KICKED OUT OF THE COMMUNITY IS NOT LITERALLY TOUCHING A KID

stop deflecting

kick out
of community
good

like not as bad as advy
BUT THE BAR FOR BEING KICKED OUT OF THE COMMUNITY IS NOT LITERALLY TOUCHING A KID
stop deflecting
by that logic, crazen would still be here
seperate art from artist bro, you cant defend viprin 😭

Pauze Today at 3:35 PM
yeah its not a good look, but that doesnt disqualify him from being able to change over four years
also crazen was a fucking groomer 😭

IsaiahWavix Today at 3:36 PM
ok yeah thats fair lmao

Pauze Today at 3:36 PM
💀

@Pauze yeah its not a good look, but that doesnt disqualify him from being able to change over four years
IsaiahWavix Today at 3:36 PM
if he changed he wouldnt be deleting ever comment
he would address it
like im SORRY for your loss bro but hes not a good person bruh

IsaiahWavix Today at 3:48 PM
so are you going to be dropping viprin or no
imma assume no response is just a no based on what youve been saying already

Pauze Today at 3:36 PM

i'll also be making a video on what you just said because clearly you guys are not willing to do anything

how much you wanna bet you'd still defend him if he actually touched a kid 😭

Pauze Today at 4:01 PM

yeah thats the thing, he didnt touch a kid bro 😭 idk im not gonna stop being his friend just bc he said some stupid shit 4 years ago

if viprin was grooming someone this would be a completely different conversation

the only one touching kids is hinds bruh

IsaiahWavix Today at 4:04 PM

no one cares bruh he was sayin he would go to japan to fuck his fictional underage girlfriend 😭

you cant be joking about that shit

and yk what if he changed i wouldnt care as much but hes still trying to supress all of this

anyways can you tell the audience to subscribe before i expose your ass 💀
